

About NSTEDB

National Science and Technology Entrepreneurship Development Board (NSTEDB) is an apex body under the Department of Science & Technology, Govt. of India. It has been focusing entrepreneurship among the persons with Science & Technology background with a view to make "JOB GENERATORS" rather than "JOB SEEKERS" Employment generation through the application of S&T is also encouraged based on innovative methods, techniques and equipments and support through information and trained S&T manpower. The NSTEDB continue to pursue and strengthen its multifarious activities/programmes taken up earlier, in addition to conceptualizing and initiating new programmes in consultation with institutions processing expertise in specific field. Some of the activities/programmes are as follows:

- ◆ Entrepreneurship Awareness Camp (EAC) for college students (3 Days).
- ◆ Technology Based Entrepreneurship Development Programme (TEDP) on specific areas for students and youth (6 weeks).
- ◆ Skill Development Training through Science & Technology (STST).
- ◆ Faculty Development Programme (FDP) on Entrepreneurship for teachers/faculty of college and university (2 Weeks).
- ◆ Science & Technology Entrepreneurship Development (STED) project for the development of an area based on rural technology.
- ◆ Technology Business Incubator (TBI).

About TBI-KIET

The Technology Business Incubator (TBI) was supported and established jointly by the National Science & Technology Entrepreneurship Development Board (NSTEDB), Ministry of Science & Technology, Government of India and Krishna Institute of Engineering & Technology in Dec., 2007. It has dynamic & supportive governing board comprising NSTEDB, DST, MSME, SIDBI, Syndicate Bank, IIA and Lead Entrepreneur. Satendra Kumar, G.M. is Ex-officio Member Secretary of the Board. The thrust area of TBI-KIET are ICT, Mechanical and Electronics. TBI-KIET has shown remarkable growth and till date 35 incubatees were supported by TBI-KIET. Presently TBI-KIET have 17 incubatee companies. 16 ideas were also funded by the MSME, Govt. of India and the grant to each idea is Rs. 6.25 Lacs. On the basis of performance Mahindra World City-SEZ, Jaipur has signed a MOU to establish a TBI office at Jaipur with an objective to create "Human Capital" under the scheme "Apni Pehchan Kaushal Se". Mahindra World City-SEZ has awarded Certificate of Excellence for Skilled training programme being implemented by us. www.tbi-kiet.in

KIET Group of Institutions: Krishna Institute of Engineering & Technology (KIET) was established in 1998 by Krishna Charitable Society at Ghaziabad, U.P. The Institute now has 5003 students on its rolls in 2015-16: a substantial growth in 18 years to meet the need of quality technical education in U.P., as also to ensure their overall growth as responsible professionals and global citizens. The Institute offers B.Tech Degree courses in seven disciplines CSE,ECE,EN,IT,ME,CE & EI and M.Tech in four disciplines i.e CS,EC,EN,ME,MCA,MBA & Pharmacy (B.Pharm & M.Pharm). www.kiet.edu.

CIVIL ENGINEERING DEPARTMENT: The department of civil engineering came into existence from the session 2008-2009 and five batches have passed out so far. The department started with sanctioned intake of 60 students and presently it has enhanced sanctioned strength of 120 students. The department has an excellent industrial interaction and contributes to the industry by offering consultancy services.

About Programme

Entrepreneurship in recent times has become a serious area of study. It is considered to be a solution for creating wealth, generating employment and providing new goods and services. Developing the spirit of entrepreneurship among the young has become vital because of the government cannot provide jobs for all kinds of unemployed youth, the corporate sector will provide limited jobs only to the best and that too without any job security and lastly, very often it is difficult to find an ideal job.

Entrepreneurship has very little to do with money. It is instead an attitude, a way of thinking. It goes beyond simply starting a company. In other words not all people who start their own organizations can necessarily be categorized as entrepreneurs. Entrepreneurs challenge assumptions, recognize opportunities in periods of change, reveal patterns where others see chaos and mobilize limited resource to achieve an objective.

The Technology Business Incubator-KIET in its efforts to create enterprising youth who are capable of surviving in an entrepreneurial society has been making some interventions in this direction through its Entrepreneurship Programme. The Entrepreneurship Programmes are targeted both for teachers of the various schools, colleges and universities as well as for the students. For the students, entrepreneurial awareness programme, programme on entrepreneurship are organized. Therefore, keeping this fact TBI-KIET organizing Faculty Development Programme. Since teachers play a vital role as change agent of the society. The Faculty Development Programme on Entrepreneurship. The purpose of the programme are:

- To create an awareness of the need and importance of entrepreneurship.
- To impart knowledge and develop skills in diverse training methods in imparting training to students and entrepreneurs.
- To plan curriculum that can imbibe the skills and competencies to achieve goals directed by values, have a positive attitude and have the ability to cope with the changing times.
- To develop teachers with an entrepreneurial and professional mindset.
- To make them aware about promotional financial & regulating scheme for MSME.
- To guide them for techniques of preparation of feasible & viable project.
