## DEPARTMENT OF MECHANICAL ENGINEERING

15<sup>th</sup> March 2016

### Training on Delcam Software and Vertical Machining Centre (VMC)

This is for information to all 3<sup>rd</sup> year Mechanical Engineering students, that department is offering a Training Program on Working of Delcam Software for NC Code generation, CNC programming and its application on Vertical Machining Centre.

Content	Time	Duration	Batch Size	Trainers	Training Fees
Delcam Software Training	5:00 P.M. to 7:00 P.M.	5 sessions	9 students only	Prof. Nitin Sharma Dr. Ashish Karnwal	Rs. 2000/- per student
Training on VMC for CNC programming	5:00 P.M. to 7:00 P.M.	5 sessions			

In this training program, students will be given a brief write up about Delcam Software, CNC Programming, Tools and fixtures used in VMC machine and working of Machine as well.

Interested Students can give there consent through mail [ashish.karnwal@kiet.edu](mailto:ashish.karnwal@kiet.edu). As the seats for the program is limited, entry to the course will be on the first come first serve basis.
