Pharmacy, Ghaziabad

About KIET School of Pharmacy

KIET School of Pharmacy (KSOP), Ghaziabad was established by Krishna Charitable Society in 2005, after realizing the prospects and potential of the course in the emerging scenario of the global Pharmaceutical industry and education. KIET School of Pharmacy is a premier institute in the state of Uttar Pradesh for education in Pharmacy. The institute has been **consistently ranked amongst the top 5** in the state because of its excellent academic performance since its inception. In the academic year 2007-08, **KSOP achieved top ranking in UPTU** by registering the highest percentage (88%) of all clear passed students and in academic year 2008-09, KSOP had 90% of all clear passed students. KSOP earned the reputation of being the much sought-after destination for aspiring students because of its strong academic achievements. The students are given individual attention and the laboratory infrastructure is sufficient to cater to the needs of the students. KSOP has intellectual, dedicated and highly experienced faculty members for the academic progress of the students. The College is equipped with all the modern instruments and machinery to provide the best practical training to budding Pharmacists. Department is accredited by NAAC with 'A' grade for five years. KSOP is also AKTU approved research center for Ph.D.

Winter School On “Modern Approaches to Drug Discovery”

(January 8-12, 2018)

About Winter School

It is the platform to impart the basics and advancements of pharmaceutical profession to beginners by refining their pharmaceutical expertise. However, winter school doesn't have to be all work and no play. Thus it is an opportunity for students to learn with fun. They will be exposed to the skills beyond curriculum which has direct impact on their overall professional growth to become competent personnel.

Program Highlights

- ❖ 3D Printing Technology in Health Care
- ❖ Pharmacovigilance
