Sure Ma'am.

Ms Isha Grewal and Ms Arunita Mukhopadhyay will be available in the department for the same. I would request you to have the students wait in the room adjoining the SSB Room on the first floor of the MBA Building - H&SS Department, and appear for the interviews one-by-one. It would be great if they can bring along the hard copy of their current RESUME for review as well.

Dear Ma'am

Jai Hind!

PFB the required performance card of the scheduled capsule training:

Department of Humanities & Social Sciences (Training Wing)										
Capsule Training (Mock Interview) for Buffercode									Date: Feb.03rd, 2K24	
S No	Roll No.	Name of Student	Branch	Resume Awareness (2)	Verbal Communication & TMAY (2)	Non-verbal Communication & Virtual Parameters (2)	Attitude, Confidence & Creativity (2)	Content, Logical ability & Industry awareness (2)	Total Marks (10)	Remarks
1		Privansh Kapoor	EN	1.5	1.25	1.5	1	1	6.25	Casual attire, the intro is fine & confident, the resume is IT-oriented, spoke in Hindi in between, needs to smile a bit, has potential
2		Deepanshu	EN	0.75	1	1	1	1	4.75	The resume format needs to be improved, poor intro, nervous, casual attire
3		Prince	EN	1.5	1.25	1.5	1	1	6.25	Good Background, wearing a t-shirt, comm, is good, intro needs to be more aligned with the company, has potential
4		Tushar Pandey	EN	1	1.5	1	1	1	5.5	Looks sleepy, using mobile to log in, casual attire, introduction needs to be prepared well, communication is strong but lacks gravity, the resume is core company based
5		Divyansh	EN	1	1.5	1	1	1	5.5	Using the mobile camera, communication is fine, more interested in the core, couldn't justify some of the answers, the intro is too short.

KIET GROUP OF INSTITUTIONS, DELHI – NCR, Ghaziabad
DEPARTMENT OF HUMANITIES AND SOCIAL SCIENCES

EVENT REPORT – VIRTUAL GLOBAL SOFT SKILLS CONCLAVE
THEME – TRAVERSING THE VUCA LANDSCAPE WITH SOFT SKILLS

The Department of Humanities and Social Sciences (Training Wing) organized a one-day virtual **Soft Skills Conclave on the theme, 'Traversing the VUCA Landscape with Soft Skills'** to enhance and develop essential soft skills in the budding professionals. The conclave was held on **December 15th, Friday**. The event was streamed live in the **KIET Auditorium** with a total number of 250 students from B.Tech, MCA, and MBA.

In the conclave, industry experts and professionals from India and abroad were invited. The adroit speakers were as follows-

- Mr. Harendar Chadha (Royal Bank of Canada)
- Mr. Vibhore Garg (Senior Vice President, Singapore)
- Mr. Shorya Moona (Equipment Sales and Application Leader, Dubai)
- Mr. Rishu Jayswal (Senior Technical Lead, Aristocrat Technologies, India)
- Mr. Ikshwaku Goel (Area Sales Manager, HPCL, India)

The following dignitaries from the KIET Group of Institutions were present in the conclave -

- Dr. Shailesh Tiwari, Additional Director
- Prof. Komal Mehrotra, Head HSS
- Prof. Puja Rohatgi, A.HOD HSS

Along with the training faculty members (HSS) and Faculty members of KSoM.

This conclave was diligently crafted for students of the campus as the department believes that the right seed of authentic information (knowledge) should be sown in the psyche of learners during their journey to become professionals for joining the global workforce in the near times.

Major objectives of the Conclave –

- **Relevance of Soft Skills:** Explore the significance of soft skills in a VUCA world driven by automation, mixed/extended reality, AI/ML, and rapidly evolving technology.
- **Focus on inclusivity:** There is a need to address this major global concern of ensuring inclusion in the workplace and thus, fruitful discussions were carried out in this conclave.
- **Cross-Industry Insights:** Bring together experts from various industries to share their perspectives and experiences regarding soft skills development.
- **Engineering Focus:** Tailor discussions to the needs and interests of budding engineers, ensuring practical and applicable insights.
- **Knowledge Sharing:** Encourage the exchange of ideas and best practices for incorporating soft skills into the fast-paced world of technology and engineering.
- **Hiring trends:** The conclave aimed to provide a platform to delve into the changing trends in the hiring industry and how soft skills become imperative to be employable in contemporary times.

Highlights of the conclave -

The event, adeptly orchestrated by Prof. Shrikant Keshav and Prof. Himanshu Saxena, commenced with a gracious welcome from Prof. Saxena, extending warm greetings to the esteemed guest speakers and dignitaries along with the audience. Prof. Keshav then artfully inaugurated the forum, invoking inspiration with a profound quote by Zig Ziglar: "It's your attitude, not your aptitude that defines your altitude."

The discourse unfolded with Mr. Harendra Chadha taking the lead, followed by insightful contributions from luminaries such as Mr. Vibhore Garg, Mr. Shorya Moona, Mr. Ikshwaku Goel, and Mr. Rishu Jayswal. Each speaker brought a wealth of knowledge and perspective to the event, creating a dynamic and intellectually enriching atmosphere.

The Key points of the discussion were –

- **Mr. Harendra Chadha** initiated the discussion by stating that **adaptability** has been one of the greatest reasons for his professional success.
 - He advocated that the future workforce needs to be **multi-disciplinary** in approach along with strong **listening skills** as a part of **communication**.
 - Mr. Chadha eloquently emphasized the significance of **eagerness** during his discourse. According to him, cultivating a genuine enthusiasm for your goals can propel you to unprecedented heights of success and transform you into an achiever. By approaching your objectives with a genuine eagerness, you can unlock a wellspring of motivation and demonstrate a proactive, determined mindset. This eagerness, Mr. Chadha suggested, acts as a driving force that fuels sustained effort, resilience, and a continuous pursuit of excellence, ultimately paving the way for notable achievements in one's personal and professional journey.
 - Furthermore, Mr. Chadha delved into the significance of setting ambitious goals. He talked about the importance of establishing such objectives and what role they play in shaping one's career trajectory and highlighted how this practice contributes to professional development.
 - According to Mr. Chadha, setting ambitious goals provides a clear roadmap for career advancement. It serves as a guiding beacon, directing one's efforts and energies toward specific achievements. By articulating and pursuing ambitious objectives, individuals not only challenge themselves but also foster a mindset of continuous improvement and growth. This intentional approach to goal-setting, Mr. Chadha suggested, not only propels career development but also instills a sense of purpose and direction, laying the foundation for long-term success.
- Turning the attention to another distinguished panel member, **Mr. Vibhore Garg**, who delved into additional pivotal skill sets during the discussion, he emphasized the following:
 - **Articulation of Thought Process:** Mr. Garg stressed the paramount importance of expressing ideas and concepts with clarity, recognizing it as a fundamental skill.
 - **Analytical Skills:** He underscored the need for a discerning mindset to navigate complexities and make well-informed decisions.

- **Power of Communication:** Mr. Garg highlighted the critical role of clear and impactful communication in professional interactions.
- Now, shifting focus to our esteemed KIET alumnus, **Mr. Shaurya Moona**, whose words resonated profoundly with the audience, given his shared experience. Mr. Moona underscored the crucial role of soft skills, emphasizing:
 - **Personality Development:** Soft skills significantly contribute to the shaping of one's personality.
 - **Enhancement of Employee Relationships:** The cultivation of soft skills fosters positive and effective interactions within the workplace.
 - **Leadership Skills:** Mr. Moona emphasized how soft skills are integral to the development of leadership qualities.
 - His insights provided valuable guidance and struck a chord with the audience, given his relatable journey from their current position to achieving success.
- Transitioning to insights shared by **Mr. Rishu Jaiswal**, he provided valuable perspectives on effective problem-solving and the significance of fostering self-belief.
- Subsequently, attention turned to another esteemed KIET alumnus, **Mr. Ikshwaku Goel**, who responded to a query about methods to cultivate essential skills and nurture the right mindset. His key points encompassed a focus on adaptability, effective communication, and the paramount importance of teamwork.

Addressing the event's final question, "Do you believe soft skills are a game-changer in the hiring process, and what qualities do you seek in a candidate?" **Mr. Goel** underscored critical attributes:

- **Well-articulated Communication:** The ability to express thoughts clearly.
- **Strong Team Player:** Demonstrating a collaborative and cooperative approach.
- **Interpersonal Skills:** The ability to interact effectively with others.
- **Emphasis on Teamwork:** Recognizing the significance of seamless collaboration within a team.

The robust hour of discussion was then followed by questions from students wherein the students put up their questions to the distinguished panellists.

The event concluded with a powerful statement resonating throughout the audience: "**While technical skills may secure a job, it's the mastery of soft skills that can ultimately shape or break your career.**" This succinctly encapsulates the transformative impact of soft skills on an individual's professional trajectory.

Post the QnA round the Vote of Thanks was proposed by Prof. Komal Mehrotra, Head HSS.

Finally, **the unequivocal success of our event stands as a testament to the concerted efforts, meticulous planning, and steadfast dedication of all involved.**

From the seamless coordination behind the scenes to the enthusiastic participation of both speakers and students, this event exemplifies the remarkable achievements that emerge when a passionate team unites with a shared vision.

With the triumph of this occasion, we eagerly anticipate leveraging this success for future endeavours. Fuelled by the invaluable lessons learned and the spirit of collaboration that defines our community, we stand poised for continued growth and achievement in the ventures that lie ahead.

Dear Dignitaries

Jai Hind!

Here are the glimpses of Informational Interview Contest 2K23 -

The Department of Humanities and Social Sciences has successfully conducted '**Informational Interview Contest 2K23**' which is a first of its kind Industry-Academia Connect Initiative'. This unique opportunity was extended to pre-final year students pursuing B. Tech, B. Pharma, and MCA. It was a virtual contest that required the submission of the video entries. The video recordings of the interviews were to be submitted between November 16, 2K23 & November 24, 2K23. T

Objectives

Industry Awareness

Networking

Seeking Internship Opportunities

The entries were assessed by the team of competent & seasoned faculty members of the Humanities & Social Sciences Department. *The competition served as a valuable platform for obtaining authentic insights into industry requirements across diverse profiles.* It aimed to foster a spirit of competitiveness, nurturing a deep learning attitude among participants. A total of 27 teams comprising 82 team members participated enthusiastically, with students engaging industry professionals in teams of 2 - 4. The discussions revolved around the professionals' experiences and the valuable insights they have acquired over the years.

In recognition of their outstanding performances, the winners will be awarded cash prizes as

follows:

WINNING TEAM (Cash Prize of Rs. 5,100/-) Mindful Miners

...ction has been received and noted.
...elp with the following:

1. Name list of the students
2. GD Evaluation sheet which needs to be used
3. Venue for the training.
4. Students' previous performance cards/activity sheets will also help us to know the level of the students for better preparation. Kindly, make that available.

Further, it's a very humble request to let us know the attendance of these students in their previous year's sessions in soft skills.

Hello Maam

Warm Greetings!

All points are very well covered. The timing of the test and size of the window may have a slight change, as per my conversation with the Coding Ninja Team
thanks
