SUBJECT: Guest Lecture on Career aspects in embedded system domain for IT 3rd Year students

This is to inform all B. Tech (IT) 2nd year students that department is scheduling a guest session on “**Career aspects in embedded system domain**”. It will be beneficial for upcoming placement drives. You can prepare your queries for the same.

Date	Time	Venue	Resource Person
20/09/23 (Wednesday)	11:00 AM to 01:00 PM	CRPC Conference Hall	Mr. Vaibhav Mishra (Director at Prince Technologies)

Note: Students are instructed to maintain the discipline during session.

Brief about event (discussion points and takeaways)

The session started and HOD IT Dr. Adesh Pandey sir addressed the gathering with brief introduction of esteemed guest Mr. Vaibhav Mishra. The guest delivered a talk on the career aspects of IT students in embedded system domain. He enlightened the students about the importance of semiconductor industry in different areas such as healthcare, automobile, agriculture, and defence etc. in future.

The students got aware of various job opportunities, packages and challenges of the semiconductor industry and embedded system domain in different areas.

Prof. Surendra Kumar Keshari

Notice

Date: 26/09/2023

SUBJECT: Generative Artificial intelligence and Future jobs

This is to inform all B. Tech (IT) 3rd year students that department is scheduling a Seminar on **Generative Artificial intelligence and Future jobs**. It will be beneficial for students. Students are instructed to attend this beneficial session as per following schedule:

Date	Time	Venue	Resource Person
27/09/23 (Wednesday)	2:30 PM to 4:30 PM	CRPC Conference Hall	Mr. Upendra Kr. Tiwari (Expert Trainer Artificial Intelligence and Data Science)

Note:

1. Students are instructed to maintain discipline during the session.
2. Attendance of session will be marked on portal.
3. Profile of Mr. Upendra Kumar Tiwari is attached.

Event Report

Event Name: Generative Artificial intelligence and Future jobs

Start Date: 27-Sep-2023

End Date: 27-Sep-2023

Event Type: Seminar

No. of Participants: 180

Resource Person: Mr. Upendra Kr. Tiwari

Durations (in days): 01

Type (Faculty/Student): Students

Designation: Expert Trainer Artificial Intelligence and Data Science

Organization Name: IKIGAI Lab

Phone Number: 9953972165

Organization Website:

Email: utkarsh@theikilab.com

Brief about event (discussion points and takeaways)

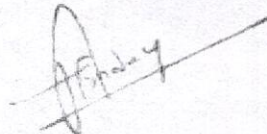

The Session points briefed below.

Discover the future of careers in 2-hour seminar on Generative AI. Hosted by IIT Kanpur experts, gain insights into AI's transformative impact on job markets. Essential for all students, learn about AI applications, skill development, and job prospects in the AI-driven world.

Topics to Covered in this Workshop:

1. AI's Influence on Job Markets
2. Emerging AI Applications and Tools
3. Skill Development for AI Careers
4. Job Opportunities in AI

Preparing for the AI-Powered Future

SUBJECT: Guest Lecture on Brain-Computer Interface for IT 3rd Year students

This is to inform all B. Tech (IT) 3rd year students that department is scheduling a guest lecture on “**Brain-Computer Interface (BCI)**”. It will be beneficial for upcoming placement drives. You can prepare your queries for the same.

Date	Time	Venue	Resource Person
10/06/23 (Tuesday)	03:00 PM to 04:30 PM	IT Department	Mr. Pierre Clisson (Freelance Engineer and Consultant)

Note: Students are instructed to maintain the discipline during session.

Event Report

Event Name: Brain-Computer Interfaces
(BCI)

Start Date: 06-Oct-2023
End Date: 06-Oct-2023

Event Type: Guest Lecture
No. of Participants: 43
Resource Person: Mr Pierre Clisson

Durations (in days): 01
Type (Faculty/Student): Faculty/Students
Designation: freelance engineer and consultant

Organization Name: freelance engineer and consultant

Organization Website: <https://clisson.com/>

Phone Number: +33 6 68 23 26 00

Email: pierre@clisson.net

Brief about event (discussion points and takeaways)

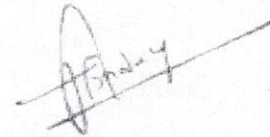

The Session points briefed below.

On 6th October 2023, Mr Pierre Clisson who is founder and maintainer of Timeflux an Open Source project, gave a talk in the IT department of KIET Groups of Institutions. Talk gave an opportunity to understand how Brain Computer Interface(BCI) works in depth and also what role projects like TimeFlux play in BCI. The talk mainly specified the use of BCI and its implementation. Which later boils down to how it works on both hardware and software level. TimeFlux which is an OpenSource software plays an important role in the ecosystem of BCI today.

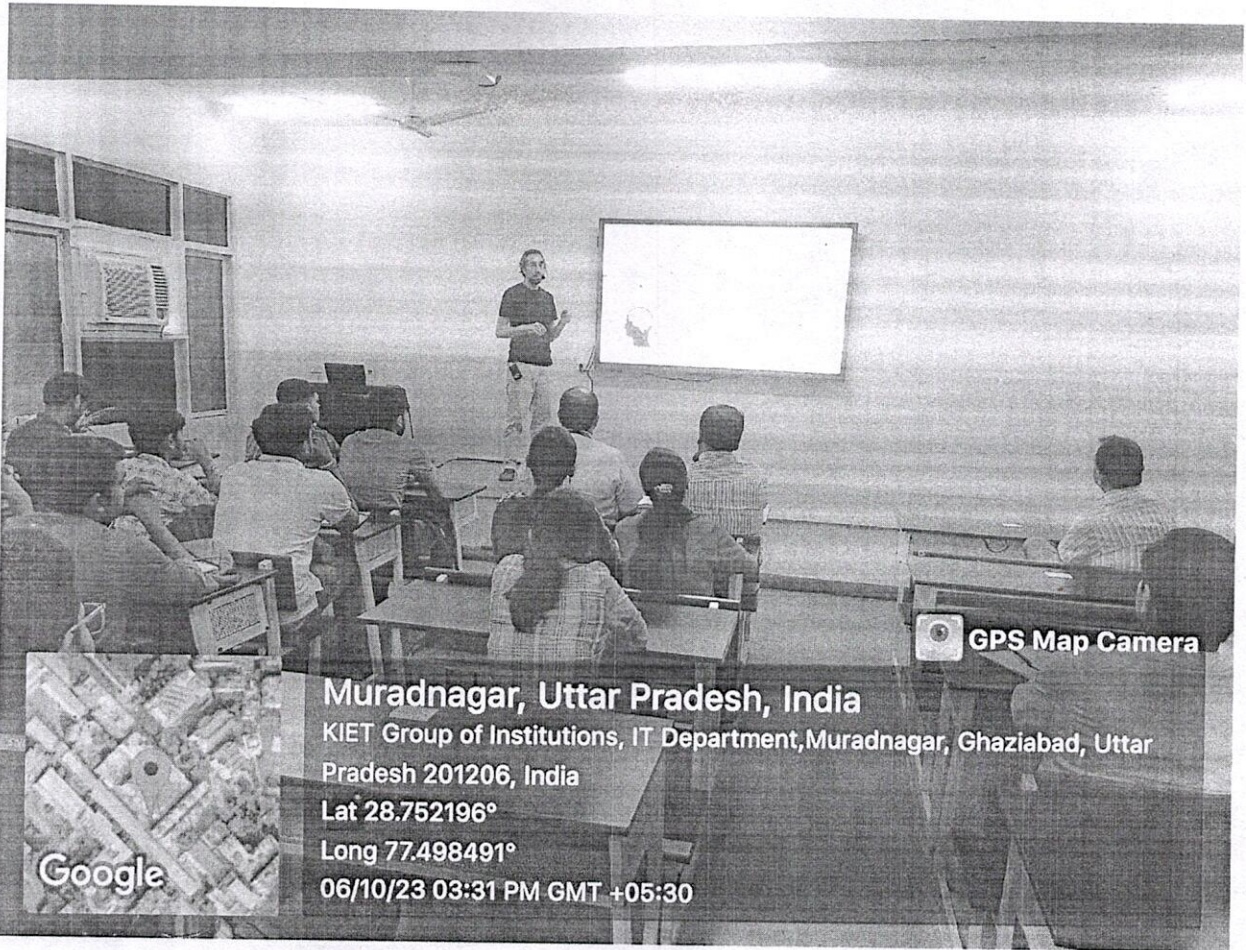

Later Pierre also talked about how to contribute in such projects and encouraged students to participate in his hackathon. And at last the talk ended with interaction with people around.

Prof. Surendra Kumar Keshari

HOD (IT)

Report on Alumni Interaction Event

Department of Information Technology

Speaker: Mr. Apurv Garg

Topic: Navigating the IT Industry: Insights and Advice from a Software Developer

Venue: KSOP Conference Hall

Date: 19th October 2023

Timings: 2:30 – 4:30 p.m.

Number of Participants: 160

Coordinator: Mr. Kamal Kant Sharma

Co-Coordinator: Ms. Arushi Singh

Brief about event (discussion points and takeaways)

Overview:

The Alumni Interaction event held on [Event Date] witnessed an insightful and enriching session with Mr. Apurv Garg, a distinguished alum of our institution. Mr. Garg, currently serving as the Component Lead at Prospecta Software Pvt. Ltd. in Gurugram, shared his valuable experiences and insights with the 2nd-year students of B.Tech - I.T.

Alumni Details:

- Name: Apurv Garg
- Company: Prospecta Software Pvt. Ltd.
- Location: Gurugram
- Designation: Component Lead
- Experience: 1 year 8 months
- Skills: Angular, Spring Boot, PostgreSQL, Elasticsearch

Key Takeaways:

1. Focus on Project Building:

Mr. Garg emphasized the importance of practical experience in the field of IT. He encouraged students to actively engage in building projects and uploading them on platforms like GitHub. He stressed that recruiters often prioritize candidates with a robust portfolio of projects, showcasing their skills and practical application of knowledge.

2. Importance of Data Structures and Algorithms:

Understanding the significance of technical interviews, Mr. Garg advised students to dedicate time to mastering Data Structures and Algorithms. He highlighted that a strong foundation in these areas is crucial for success in interviews and securing positions in reputed IT companies.

3. Continuous Improvement in Coding Skills:

Recognizing coding skills as a fundamental aspect of the hiring process, Mr. Garg recommended consistent practice and improvement in coding abilities on the coding platforms like Hackerrank, Hackerearth, LeetCode. He shared his belief that continuous learning and enhancement of coding skills contribute significantly to one's success in the competitive IT industry.

Interactive Session:

The session was highly interactive, with students actively participating in discussions and seeking advice from Mr. Garg. Students had the opportunity to ask questions related to industry trends, career progression, and the specific technologies Mr. Garg specializes in.

Closing Remarks:

Mr. Apurv Garg's interaction with the students proved to be a valuable experience, providing insights into the practical aspects of the IT industry. His guidance on project development, focus on core technical skills, and the significance of continuous learning have undoubtedly left a lasting impact on the attendees.

The event concluded with a vote of thanks to Mr. Apurv Garg for generously sharing his time, knowledge, and experiences with the budding technologists, inspiring them to excel in their academic and professional journeys.

Event Name: Navigating the Future: The Rise of Professionals

Start Date: 19-Jan-2024

End Date: 19-Jan-2024

Event Type: Seminar

No. of Participants: 97

Resource Person: Mr. Shantam Doda

Durations (in days): 01

Type (Faculty/Student): Students

Designation: Expert Trainer at IKIGAI

Organization Name: IKIGAI Lab

Organization Website:

<https://www.ikigailabs.io/>

Phone Number: 9953972165

Email: utkarsh@theikilab.com

Brief about event (discussion points and takeaways)

The Session points briefed below.

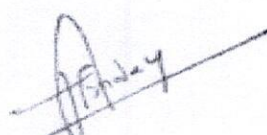

Discover the future of careers in 2-hour seminar on Generative AI. Hosted by IKIGAI Lab trainer, gain insights into AI's transformative impact on job markets. Essential for all students, learn about AI applications, skill development, and job prospects in the AI-driven world.

Topics to Covered in this Workshop:

1. AI's Influence on Job Markets
2. Emerging AI Applications and Tools
3. Skill Development for AI Careers
4. Job Opportunities in AI
5. Preparing for the AI-Powered Future

Brief about event (discussion points and takeaways)

AzureDevDay - Cloud Native is an initiative by Reskill in partnership with Azure Developer Community & WSO2, supported by Microsoft, which aims to upskill young developers in 5 academic institutions to work and learn about the Ballerina Programming Language and Choreo-Internal Developer Platform.

Key Takeaways:

- Understanding Ballerina and Ballerina concepts
- Developed a sample app using Ballerina.
- Understanding of Choreo and Choreo concepts
- Deployed the Ballerina application on Azure using Choreo

Event Report

Event Name: Students Empowerment Program - Skill Training in Advanced IT Skills_ Honeywell- CSR Initiative and ICT Academy
Start Date: 06/03/2024.
End Date: 22/03/2024.

Event Type: Training

Durations (in days): 14 Days

No. of Participants: 55

Type (Faculty/Student): Students

Resource Person: Mr. Vivek Sharma, Rathnayake

Designation: Cyber Security Consultant

Organization Name: Secuneus

Organization Website:
<http://www.ictacademy.in/>

Phone Number: 8925828617

Email: a.hariharan@ictacademy.in

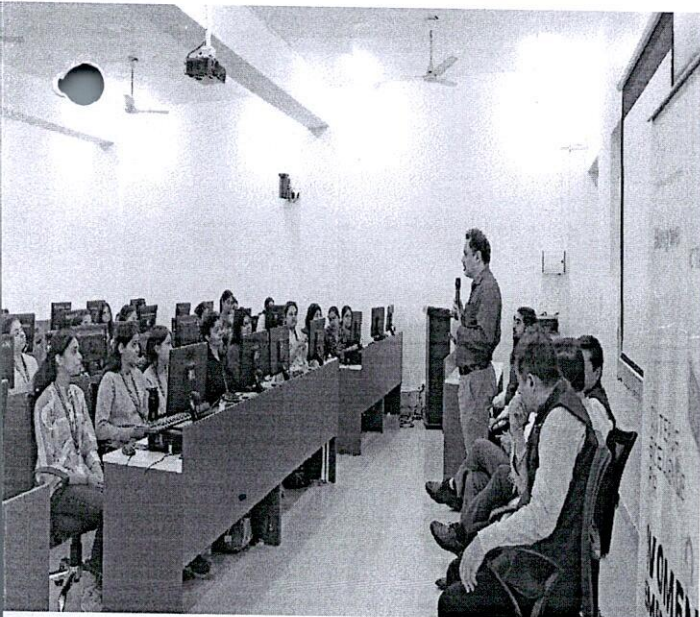

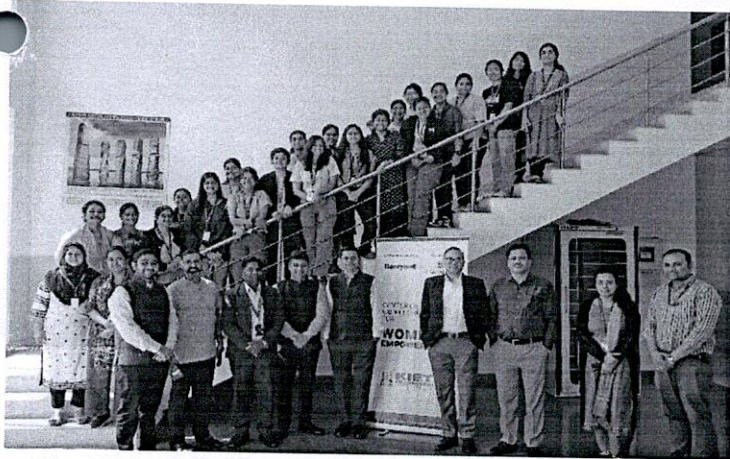

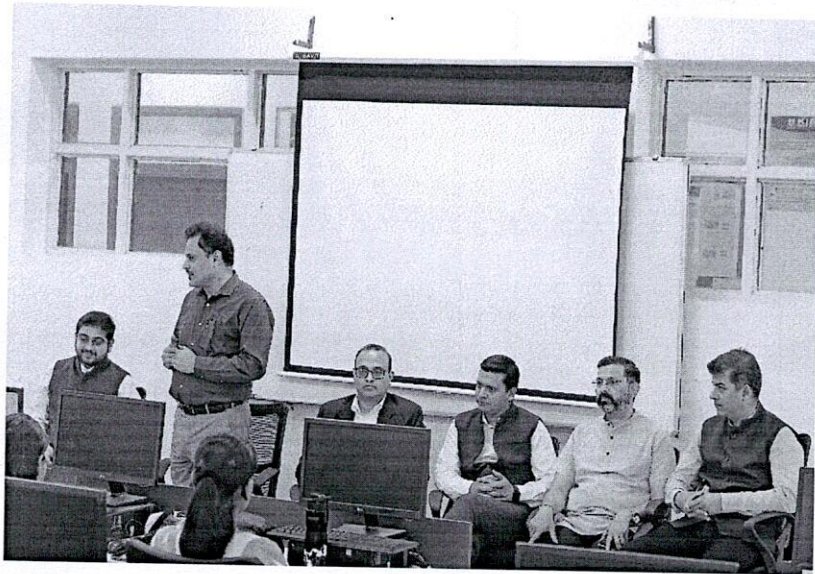

Brief about event (discussion points and takeaways)

Honeywell Cybersecurity Training - A CSR Initiative by Honeywell

ICT Academy in association with Honeywell organizes the Honeywell Cybersecurity Training. This program aims to train graduating women and youth students in Advanced Cybersecurity Skills by establishing a Centre of Excellence for Women/Youth Empowerment, thereby preparing them for a successful career in the Cybersecurity field.

Key Takeaways:

- Understanding Key concepts of cyber security foundation, configure test a malware analysis security profile
- Understanding Wireshark tool that provides detailed insights into the myriad of communications that occur on a network, aiding in diagnostics, security, development.
- Understanding Cloud Security Fundamentals

Subject: Boot Camp for B.Tech. 1st Year Students

Dear Students, I trust this message finds you well. We at the Department of Information Technology are thrilled to announce a 2-day boot camps on following technologies

- Web Designing Boot Camp:** Dive into the dynamic world of web designing where you'll master essential tools and technologies including HTML, CSS, MySQL, and API connectivity. Harness your creativity and technical prowess to craft visually stunning and functionally robust websites.
- C++ Boot Camp:** Embark on a journey through the fundamentals of C++ programming language, where you'll gain a comprehensive overview, delve into Object-Oriented Programming (OOP) concepts, and explore the Standard Template Library (STL). Equip yourself with the skills needed to develop efficient and scalable software solutions.
- Java:** Master the fundamentals of Core Java in this boot camp. You will cover key topics such as syntax, object-oriented principles, and essential libraries. This boot camp is perfect for those looking to build a strong foundation in Java, a language widely used in enterprise environments and application development.

Students may express their interest in any one of the above boot camps through the Google form link:
<https://forms.gle/1o9CjvSHF9R3dM1X7>

Details of the Boot Camps are as follows:

Date	25 May 2024 -26 May 2024
Time	9:30 am 1:00 Pm and 2:00 5:30 pm
Venue	Web Designing (Room Num: E-203), C++ (Room Number :E -209) Java (Room Number : E-310)
Resource Person	Industry Professionals

Registration Details:

- Fee for the Boot Camp : Nil
- Registration is open on a first-come, first-served basis as seats are limited.
- A registration fee of ₹100 is applicable to confirm your participation (to select make the program serious affair only)
- To register, please submit Rs. 100 to your class coordinators along with the duly filled registration form after filling the Google form.
- Deadline for registration: 21st May 2024, 01:30 PM
- Students must
- must carry their laptops (no permission without laptop)
- *Participation Certificate will be provided*

NOTE: The seats are limited and the final allocation will be confirmed by the department post registration on the basis of attendance and academic performance

HOD-IT

Copt to: Director In- charge, Joint Director for information pls.
First Year Faculty Members, 1st Year Students of IT.

Brief about event (discussion points and takeaways)

Event Summary: Web Designing Bootcamp at KIET Engineering College

IT Department organized a two-day bootcamp focused on web designing for first-year students. The event aimed to introduce students to the fundamentals of web design and development, equipping them with essential skills early in their academic journey.

Key Details:

- **Duration:** 2 days
- **Participants:** 32 students
- **Resource Person:** Mr. Rohit Kapoor

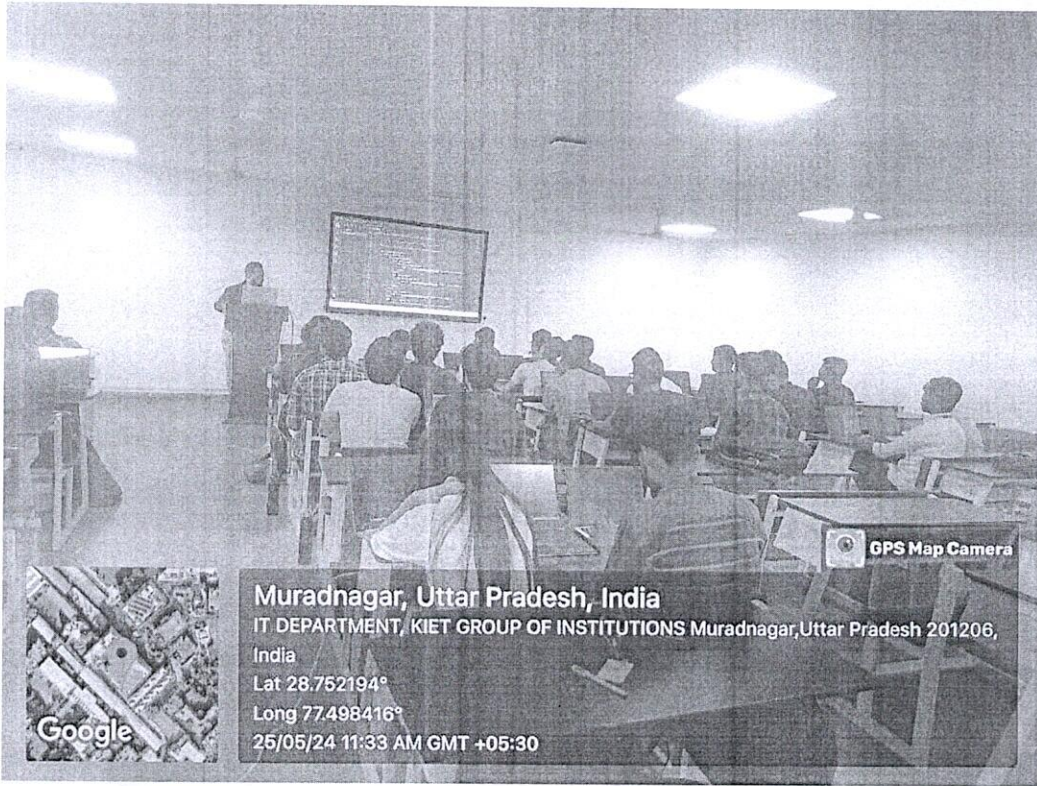

Activities and Highlights:

- **Workshops and Sessions:** The bootcamp included interactive workshops and informative sessions conducted by Mr. Rohit Kapoor, a seasoned expert in web designing.
- **Hands-on Learning:** Students had the opportunity for hands-on practice with designing elements of websites, learning basic coding techniques, and understanding design principles.
- **Q&A Sessions:** Engaging question and answer sessions allowed students to clarify doubts and deepen their understanding of the subject matter.

- **Networking:** The event provided a platform for students to interact with each other and with industry professionals, fostering networking opportunities.

Outcome:

- By the end of the boot camp, students gained a foundational understanding of web designing concepts and practical skills. They were inspired to explore further in the field of web development and design.
- The web designing boot camp at KIET Engineering College was well-received by participants, providing them with valuable insights and skills to kickstart their journey into the world of web design.

Department of Information Technology

Notice

Date: 17-05-2024

Subject: Boot Camp for B.Tech. 1st Year Students

Dear Students, I trust this message finds you well. We at the Department of Information Technology are thrilled to announce a 2-day boot camps on following technologies

- Web Designing Boot Camp:** Dive into the dynamic world of web designing where you'll master essential tools and technologies including HTML, CSS, MySQL, and API connectivity. Harness your creativity and technical prowess to craft visually stunning and functionally robust websites.
- C++ Boot Camp:** Embark on a journey through the fundamentals of C++ programming language, where you'll gain a comprehensive overview, delve into Object-Oriented Programming (OOP) concepts, and explore the Standard Template Library (STL). Equip yourself with the skills needed to develop efficient and scalable software solutions.
- Java:** Master the fundamentals of Core Java in this boot camp. You will cover key topics such as syntax, object-oriented principles, and essential libraries. This boot camp is perfect for those looking to build a strong foundation in Java, a language widely used in enterprise environments and application development.

Students may express their interest in any one of the above boot camps through the Google form link: <https://forms.gle/1o9CjySHF9R3dM1X7>

Details of the Boot Camps are as follows:

Date	25 May 2024 -26 May 2024
Time	9:30 am 1:00 Pm and 2:00 5:30 pm
Venue	Web Designing (Room Num: E-203), C++ (Room Number :E -209) Java (Room Number : E-310)
Resource Person	Industry Professionals

Registration Details:

- Fee for the Boot Camp : Nil
- Registration is open on a first-come, first-served basis as seats are limited.
- A registration fee of ₹100 is applicable to confirm your participation (to select make the program serious affair only)
- To register, please submit Rs. 100 to your class coordinators along with the duly filled registration form after filling the Google form.
- Deadline for registration: 21st May 2024, 01:30 PM
- Students must carry their laptops (no permission without laptop)
- Participation Certificate will be provided

NOTE: The seats are limited and the final allocation will be confirmed by the department post registration on the basis of attendance and academic performance

HOD-IT

Copt to: Director In- charge, Joint Director for information pls.
First Year Faculty Members, 1st Year Students of IT.

KIET GROUP OF INSTITUTIONS, DELHI-NCR, GHAZIABAD
Department of Information Technology

Event Report

Event Name: C++ Boot Camp	Start Date: 25/05/2024. End Date: 26/05/2024.
Event Type: Training	Duration (in days): 02
No. of Participants: 23	Type (Faculty/Student): Students
Resource Person: Mr. Ajay Kumar	Designation: Developer
Organization Name: CETPAINFOTECH Pvt. Ltd,	Organization Website: https://www.cetpainfotech.com/
Phone Number: 7678164206	Email: ajaykumar@cetpainfotech.com

Brief about event (discussion points and takeaways)

Event Summary: C++ Bootcamp

The IT Department recently organized a two-day bootcamp focused on C++ programming for first-year students. The bootcamp aimed to introduce students to the fundamentals of C++ programming and enhance their coding skills early in their academic journey **Key Details:**

- **Duration:** 2 days
- **Participants:** 23 students
- **Resource Person:** Mr. Ajay Kumar

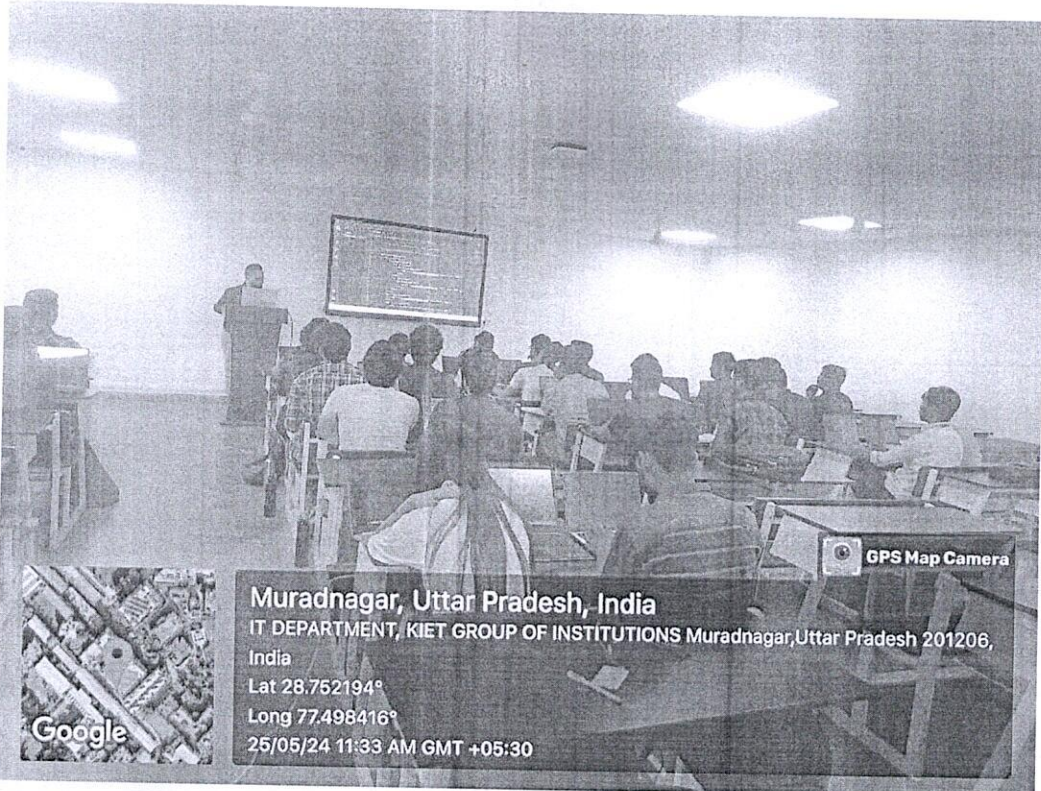

Activities and Highlights:

- **Interactive Sessions:** Mr. Ajay Kumar, an experienced resource person, conducted interactive sessions covering essential topics in C++ programming.
- **Hands-on Coding:** Students engaged in practical coding exercises designed to reinforce theoretical concepts, including basic syntax, control structures, functions, and object-oriented programming principles.
- **Problem-Solving Challenges:** The bootcamp included problem-solving challenges to encourage critical thinking and application of C++ concepts.
- **Q&A and Discussions:** Students had opportunities to ask questions, participate in discussions, and receive personalized guidance from Mr. Ajay Kumar.

Outcome:

- By the end of the bootcamp, participants had acquired foundational skills in C++ programming, gained confidence in writing code, and developed a deeper understanding of programming concepts.
- The event fostered a collaborative learning environment and motivated students to explore further in the field of computer programming.

Overall, the C++ bootcamp organized by the IT Department was well-received by students, providing them with valuable learning experiences and preparing them for future academic and professional pursuits in programming.

① Sanyam Tyagi - ECE-C-2nd year
1st Dec '22 - initial discussion
5th Dec '22 - RAISE C Score
started - S-29
E-27
I-18

Sanyam
6/12/22

21st Dec repeat visit to

discuss possible career pathways

Have given him 6 options to weigh

→ come with the results after CT-2

Final discussion on 27th Dec '22, he agreed to complete his B.Tech rather than go for the exams like SSC-JE and I have given him an option to do some courses/certifications on Data Science/Analysis // Business Analytics, etc as he is interested in working with data and ~~and~~ handling Machines/Equipment - so have suggested him IoT related specialization as well.

Dear Final Year CSE Students
Greetings!!

I trust this message finds you well. As we approach the start of the final semester, I understand that some of you have yet to secure placement opportunities. In light of this, the Department of Computer Science and Engineering is organizing a special training session to enhance your skills and increase your chances in the job market. The details of the training session are as follows:

Duration: February 5, 2024, to February 23, 2024

Agenda:

1. **Mock Test of Technical Knowledge followed by a comprehensive discussion to strengthen your technical understanding.**
2. **Mock Test of Aptitude followed by a detailed discussion to refine your aptitude skills.**
3. **Training on Modern Tools and Technologies: It includes hands-on practice sessions to familiarize you with the latest industry tools and technologies.**
4. **Mock Technical and HR Interviews: It includes one session per week for each student to simulate real interview scenarios.**

The department believes that this specialized training will provide valuable insights and enhance your employability. **Your active & mandatory participation** is crucial for maximizing the benefits of this program. You may find the Weekly timetable and Schedule of Mock interviews in the attached files.

Note: Your attendance in these sessions will be marked in the normal category and will be considered in the finalization of the detainee list for sessional tests in the final year.

Thank you for your attention, and I look forward to your enthusiastic & mandatory involvement in this training initiative.

Best Regards

Dear Students

Hope your examinations are going well!

Having the famous quote "**The more we sweat in peace, the less we bleed in war**" in mind, The Department of CSE is going to kickstart the war-level placement preparation for the 2024 batch. In order to maintain its winning streak of being the best department in academics as well as student placement, the department has prepared the following specialized **100 Hour** training program for you.

1. The program will be commenced immediately **after the completion of the end-semester examination and external practical exams.**
2. These Classes will be conducted **full day in the first week** and after that post-lunch in two days (Monday and Thursday; 1:30-4:50 pm) during the VI semester.
3. It is mandatory for every student to maintain at least 90 % attendance in these classes, failing which may **lead to detention from campus placement drives.**
4. This program has three modules of **DSA-Problem Solving, Essentials of Computer Science, Java/Python along with one web-based project.**
5. Students would be given home assignments in the form of MCQ quizzes and problem-solving contests on a daily basis.
6. Along with the technical content, the department will also conduct classes for QALR/ Soft skills, during the VI semester.

The detailed schedule will be shared with you soon. The department also ensures you that these classes would be very beneficial in your placement and look forward to your active participation.

Thanking You
Best Regardswww.kiet.edu**KIET Group of Institutions**Delhi-NCR, Meerut Road (NH-58)

Dear Third Year CSE Students
Greetings!!

Please see the important trailing mail of CRPC regarding the MMM (100 hr specialized placement training program) to be offered by Programing Pathshala only for the top 100 students out of 5 different branches.

You all are strongly advised to register via the given link and participate in its selection process.

Thanking You
Best Regards

Dear Students,
Season's Greetings!

As we move forward towards changing the dates on our calendar, we are hopeful, what the coming year brings to us. The year 2023 is the most happening year for the batch of 2020-24 as many internships and job opportunities will be offered to the students in this year. The foundation of success will be instilled in 2023.

The worldwide industry downturn has impacted the job market and it is rapidly changing, hiring is becoming more difficult for the next few months, we need to upskill you and over-prepare to become the best software engineers.

In this regard, we at **KIET Group of Institutions** have taken an initiative- **#M3: Mission Million Minds** under the supervision of the Department of Skill Development and Finishing School (SD&FS) in full synchronisation with CRPC.

We will be running 5 assessments in the coming days, as per the following schedule. **Top 100**

Students of 2024 Graduating Batch will be picked from these tests and will be trained by Industry Experienced Teachers Vivekanand Vivek ([Linkedin](#)); Bharat Khanna ([Linkedin](#)) and Anoop ([Linkedin](#)) from **Programming Pathshala**. Vivekanand Vivek and Bharat Khanna have extensive experience in mentoring students for Top Tech companies and have previously worked at Amazon and Tower Research Capital respectively.

Students of CSE/CS/IT/CSIT/ECE branches from the 2024 batch are eligible for the given initiative as of now (we may create a separate strategic path for other streams). **The first Million Mind Cohort @ KIET** will be of **100 students**. These 100 will be identified out of 1000 students from the said streams. **The selected 100 students will have to attend Full Week of #M3 Boot Camp from February 06th-11th morning 09:00 AM to 05:00 PM in physical mode only, no online, no virtual, no remote (if Covid does not force us)**. Followed by **physical** (no virtual, no online, no remote) classes two days in a week from 01:30 PM to 05:00 PM for the next 2-3 months. **Those who are ready for "Physical Only Method" are welcome to join #M3.**

The first Million Mind Cohort @ KIET will be selected through a series of contests:

These are divided into 5 stages –

Stage1.) Online Coding Round 1 (Remote)- **28th December' 2022 03:00 PM to 05:00 PM**

Stage2.) Online Coding Round 2 (Remote)- **30th December' 2022 03:00 PM to 05:00 PM**

Stage3.) Offline Coding Round 1 at KIET (**Only from College Labs**) after University Exams

Stage4.) Offline Coding Round 2 at KIET (**Only from College Labs**) after University Exams

Stage5.) Interview Round (**face to face only**)

***All the rounds are elimination rounds.**

These rounds are around so, prepare yourself and recollect all the knowledge of Competitive Coding and Data Structures you have until now. Those who will not be able to make it to Top 100, will also be helped in their Interview Preparation, it is best to attempt these tests and be a part.

Further information regarding Online Coding Round 1 (Remote)- 28th December' 2022 03:00 PM to 05:00 PM will only be shared with registered students.

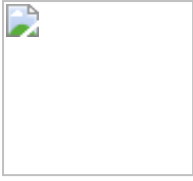

Come and join #M3: Mission Million Minds Cohort @ KIET: <https://forms.gle/14HiXjnxk9NRxQaF9>

Last date to register: 04:00 PM on Tuesday 27th December' 2022.

All the best!

#M3: Mission Million Minds

Dear Mam,
Greetings !!!

This is with respect to our discussion regarding arranging for the **Mock Group Discussion Sessions** for B. Pharm VII Sem Students for the **upcoming Loreal Recruitment Drive**.
Please find the below allotted lectures for your reference :

B. Pharm VII Sem Section A	Day of Lecture	Lecture No.
	Wednesday	5th Lecture
	Wednesday	7th and 8th Lecture

B. Pharm VII Sem Section B	Day of Lecture	Lecture No.
	Tuesday	3rd Lecture
	Wednesday	5th and 6th Lecture

We request you to kindly arrange for the sessions for this week and next week as the company will be visiting us on campus in the 2nd week of October.
In case of any queries, please feel free to contact us.

Thanks and Regards

Anmol Hyagi	needs to stop looking at the moderator, lacks energy, MTI, not as audible,	needs to be more energetic, lost train of thoughts, made more points in time, MTI,
Anmol Vats	uhh uhh sometimes, there are the scams related to, stated stats, datas, take the admission,	which does not serves, fluent flow of thoughts,
Anubhav Pandey	copy in hand and wasn't sitting straight, used to take a - (tense), thoughts need to be smoothly presented, slight MTI, everyone know,	ABSENT
Anushka Srivastava	as we have given the topic, taken from a ancient, looked slightly underconfident, speaks fine, which offer - offers,	started the GD, sat straight this time, intro was smooth, uncertain,
Apurva Singh	needs to be more energetic, braanded, lacks energy and intonation, needs to make eye contact with everyone,	started the GD - cd have started with more energy, lost in introduction no organisation who is leading you, sell - sale them,
Arshalan	clenched jaw, needs to speak clearly, needs to transition smoothly, which drug have a better result,	started the GD, made good improvement from frist round, had points I read a website - red, made good points,
Aryan Chauhan		ABSENT
Aryan Jaini		
Ashutosh Pathak	needs to speak with energy, looking only at one person, in the G20, slight MTI, toward the India, 'and' filler,	needs to be more energetic, made relevant points, lang is fine, reading from phone sometimes, investment in the start up,
Ashwin Kumar Rühela	reading from copy and looking at the moderator, feedbacks, intonation can be worked on,	started the GD, cashless word come in India,
Ayush Kashyap	topic for the today is, clear speech and thoughts, there is also a data, brand which have,	spoke fine, added relevant points, asked questions, temp get rised, it i to achieve (be achieved)
Ayushmann Rawat		ABSENT
Deep Bhardwaj	needs to speak up, speaks fine, body lang is an issue, needs to let others speak, intro not up to mark, MAAL practices,	speaks clearly, few days ago I have seen a video, you can think that wf happen, shd be made regarding the govt,

Handwritten signature and date: 28/06/22

Name	Remarks - GD 1	Remarks - GD 2
Aastha Gaur	reading from notes, economy, hardly any contribution,	didn't speak at all
Aastha Tyagi	head skewed, needs to speak more, didn't participate much,	needs to sit straight, needs to look and sound and formal, main issue is too much, reputed,
Abhay Hatwal	clenched jaw, needs to speak up, 85% of GDP - spoke facts, discussed about, opportunities, no eye contact - looking at the ground, I agree with Ashutosh, had many points to say, they have no idea - had, much more better,	eager to share points, including the whats app, which are recently get which have recently get their degree,
Abhishek Sundriyal	very slight MTI, started the GD, strong vocab, what is new happening in the company,	clear thoughts and speech, each and every transaction are traceable, r safer, we shd make a conclusion,
Afzal Saifi	needs to speak loudly, hesitates to speak, didn't participate much,	bodies - boodies, uh uh...MAAL practices, needs to work on more conf
Akansha Tyagi	needs to be loud and energetic,	needs to be more confidence in voice and body language, many people going through, how they can use - how can they use,
Aman Tyagi	there is a money, uhh uhh - fluency, clenched jaw, needs to speak more, needs to stop fidgeting with pen in his hand, go for the conclusion - s - sh issues, slight MTI, more safer,	there are few advantage, harsh sounds, s - v agreement, needs to be n expressive, monotonous sometimes,
Amit Pal	I am agree, MTI, lang issues - grammar, very various, s- sh issues application, fluency issues, or - AAR, as like.. 2 persons are live in Dubai, switches to hindi sometimes when not comfortable in English,	I am agree :(, zero - jeero, social - s- sh, tried well, less cash will decrea crime,
Amit Inwan	brAAnded, needs to sit straight, company having a, focussing on the brAAnded, campaign was started,	no dependency on copy or notes, can speak with a little more energy, concluding,
Anchal Rai	needs to be loud, if I am using the loreal, depends upon person to person, include one thing also, I have some grudges with you,	sounds clear, temp get rised, MADE Relevant points,
