7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens.

The activities organized by HCC during the academic session 2023-24 includes the AICTE approved and supported faculty development programs, preparation of faculty for student Induction program and the sessions for resource person development as mentioned in the table below.

In addition to preparing the faculty members, the newly admitted students were given the introduction to the content of value education through 15 sessions (each) during two weeks long students Induction Program (SIP). The students were able to explore their role in the family, society and in the entire existence as a human being during these sessions.

Additionally, the students, after their second semester exam, were offered an internship in Indian Knowledge Systems (भारतीय ज्ञान परंपरा) during the summer break. A total of 31 students gained the introductory knowledge in the domain of Vedic Mathematics (वैदिक गणित), Aeronautics (विमान शास्त्र), Town Planning and Water Resources Management (नगर नियोजन और जल संसाधन प्रबंधन).

A four hours long interactive session namely "Samadhan-Resolving Inner Conflicts" was organised by the centre in collaboration with HR Club of KIET School of Management on 13 December 2023. AICTE resource members Dr. Himanshu Rai and Dr. Vanchana Singh along with Dr. Arvind Kumar Sharma (Head-HCC) guided and helped the students to resolve their inner conflicts during the program.

The HCC also organizes a regular activity towards preparing the faculty members as resource person for FDP along with preparing them to teach the subject related to UHV and counselling the faculty and students.

The details of the above mentioned activities are tabulated below.
