## Health Care Facilities

KIET Group of Institutions always believes in rendering comprehensive services to its faculty, staff, and students. Healthcare is important because it helps establish guidelines that benefit all stakeholders and help prevent human error and poor communication where medical decisions are concerned. This medical policy explains the processes, procedures, and documentation that are available on campus to support and respond to faculties, staff, and students with identified healthcare needs or complex medical needs that require personal care and support.

### Medical Policy for Faculty/ Staff:

- The institute has a well-kept medical room to cater to the healthcare needs of its faculty members, staff members, and students. The medical room is equipped with all the necessary medications, and a first aid kit and has the facility of two single beds in case of an emergency. The clinic can handle situations by providing immediate relief in the form of first aid. A full-time qualified medical assistant is present in case of need during college hours. Apart from this, a lady RMO (a general physician with 12 years of experience) is available in the MI room from 11:30 hours to 13:30 hours, and 15:00 hours to 19:30 hours, so that students need not miss their lecture for routine OPD. Lady RMO resides on the campus, so she is available on call to handle emergencies and provide first aid around the clock.
- The Institute has a tie-up with ITS Dental College, Muradnagar, Ghaziabad, and Naveen Hospital Ghaziabad. Faculty and Staff members are taken to these two hospitals in case of emergency.
- Insurance plans help you pay for medical emergencies, hospitalization, contraction of any illnesses and treatment, and medical care. To cater for this, the institute has facilitated medical

insurance for faculty and staff from Paramount Health Services and insurance amounting to Rs.1 Lakh.

- To address the financial loss to the family due to the unfortunate death of the sole earner term insurance plan is required for the same term plan of Rs. 20 lakh is taken for faculty and staff of the institute.

### Medical Policy for Students:

- The institute provides medical Insurance coverage for all registered students.
- In case of an emergency medical situation, the following measures are taken during academic hours (for day scholars) and Non-Academic Hours (for Hostellers).
- On-campus medical room with a well-qualified Doctor. The medical room is equipped with all the necessary medications, and a first aid kit and has the facility of two single beds in case of an emergency.
- A residential doctor is always available on call in case of any emergency.
- 24\*7 Ambulance service to take the student to the nearest hospital/ hospitals with tie-up. Faculty/mentor Warden or Rector (in case of hostellers) always escort the student to the hospital till the arrival of his/ her parents.

### Strategies to improve the Health and Medical fitness of the students:

- A medical undertaking duly signed by the Chief Medical Officer or Medical Officer of participating UP State authenticated by the parent/ guardian has to be submitted at the time of admission.
- A health care must be maintained for hostellers in which routine medical checkups and details have to be entered and monitored.
- A Residential Medical Officer (female) especially for the hostel students is on campus 24\*7 to take care of any medical emergency.
- To create awareness related to Breast cancer, cervical cancer, PCOD, and other female problems, workshops are conducted from time to time.
- To organize Vaccination drives (as and when required).
- To organize Routine blood, checkup camps in the campus.
