Lead Your Future with India's Finest Industry-Integrated B.Tech Program

in collaboration with

Larsen & Toubro : The Nation Builders

L&T EduTech, an initiative by Larsen & Toubro, has the core objective of enhancing employability and preparing engineering graduates for aspirational careers. It brings over 80 years of experience in delivering marquee projects worldwide into your classroom. L&T EduTech offers application-oriented learning through experiential and hands-on methods. Students will have the opportunity to work on industry projects and receive mentorship from industry experts, gaining expertise in cutting-edge and in-demand technologies.

Among the top global **Engineering, Technology, and Management** conglomerates

\$25B group with a presence in more than 30 countries

35000+ graduates recruited annually in IT, Core Engineering and other domains

Industry-Integrated B.Tech Programs

The Industry-Integrated B.Tech Programs are designed to meet the evolving needs of industries by integrating theoretical knowledge with practical experience. These programs will be jointly delivered by KIET Group of Institutions and L&T EduTech. This approach equips students with deep technical expertise, essential problem-solving skills, and the ability to innovate across various engineering disciplines. These programs will also prepare students with highly sought-after and employable skills, giving them an edge over their peers in a competitive global market.

Programs Offered

B.Tech Mechanical with specialization in Electric Vehicle

B.Tech Electronics and Communication with specialization in Electric Vehicle

B.Tech Electrical and Electronics with specialization in Electric Vehicle

B.Tech Electrical and Computer Science with specialization in Electric Vehicle

Key Highlights

Mentorship by L&T Experts

Learn directly from industry-leading L&T professionals, right in your classroom.

Application-Oriented Learning

Engage with industry-relevant concepts through practical case studies and assignments.

Mastery of Emerging Technology

Gain in-depth knowledge in cutting-edge fields like AI, Digital Technology, IoT, and E-Mobility.

Work on Industry Projects

Solve real-world industry problems through hands-on projects.

Industry Immersion Program

Experience real-life industry dynamics by visiting L&T project sites.

Experience Software Tools Hands-On

Courses incorporate industry-standard software tools and practical assignments to enhance learning.

Placement Opportunity for All Students in L&T Group & Partner Companies

Industry Certificate from L&T

Mentorship from Industry Practitioners

About KIET Group of Institutions

KIET Group of Institutions (KIET), is a NAAC A+ Grade Autonomous Institution was established in 1998 at Ghaziabad (Delhi-NCR). KIET offers UG & PG courses in four disciplines i.e. Engineering, MBA, MCA & Pharmacy. With the glorious legacy of 25 years, the Institute now has 7500+ students and is empowered with 370+ highly qualified full-time faculty to nurture our students, with 100% Placement & Internship assistance.
