

Encomiums

Dr. Sweta Shukla, Associate Professor, Department of Applied Sciences and Humanities, has earned a place in the **Guinness Book of Records** for visiting an astounding 58 coffee houses - the highest ever recorded!

The Department of **SDFS (Skill Development & Finishing School)** successfully concluded the 21-Day **Pre-Placement Training Programme** for the B.Tech and MCA students from February 10 to March 1, 2025. The program focused on Advanced **DSA, Quantitative Aptitude, Logical Reasoning**, and **interactive ice-breaker** sessions to boost confidence and enhance problem-solving skills of students.

Dr. Neelam Sharma, Associate Professor, Department of Applied Sciences and Humanities, was honored by Hon'ble Dr. Manju Shiwach Ji (MLA Modinagar) and Shri O.P. Yadav Ji (BSA Ghaziabad) for her **exceptional contributions to education and society** on International Women's Day (March 8, 2025). This honor reflects her dedication and impact in shaping young minds.

Milestone Corner

The KIET Group of Institutions has been honored as the **Best Education Brand 2025** at the **8th Edition of the ET Now Best Brands Conclave** in Mumbai on March 20, 2025. **Dr. Manoj Goel** (Joint Director) & **Dr. Preeti Chitkara** (Head PR & International Relations) received this prestigious award, reaffirming KIET's commitment to academic excellence and innovation. A heartfelt thank you to our students, faculty, and stakeholders for their unwavering support in making this achievement possible!

SWAYAM NPTEL awarded KIET Group of Institutions the prestigious **AA Rating** on March 2, 2025, placing it among India's Top 100 Institutions. The certificate was presented by **Prof. Satyaki Roy, IIT Kanpur**, and received by **Dr. Yaduvir Singh, SPOC NPTEL**. We are also proud that our students were honored at the **NPTEL STAR Achievers** event at IIT Kanpur for their exceptional performance in NPTEL online programs.

The KIET School of Pharmacy marked a significant milestone by signing an **MoU** with **Vytals Wellbeing India Pvt. Ltd.** on March 19, 2025, to advance research and innovation in the pharmaceutical domain. The signing was graced by **Dr. Tanya** (Assistant Manager, R&D) and **Dr. Kanishk Luhach** (Deputy Manager, Regulatory and Medical Affairs) from Vytals, along with esteemed dignitaries and faculty members. The research project, led by **Dr. K. Nagarajan** (Principal & Professor, KSOP) and **Dr. Snigdha Bhardwaj** (Associate Professor & Principal Investigator), marks a new era of academic-industry collaboration.

KIET Outreach

KSOM organized an Industrial Visit for our MBA Final Year students to **Ananda Pvt. Ltd.** This insightful experience provided students with a first-hand understanding of the dairy industry, covering key aspects like supply chain management, production processes, and quality control in a real-world business environment. Such industry interactions bridge the gap between theory and practice, equipping our students with the knowledge and skills to excel in the corporate world.

Events@KIET

The AWS Academy Lab was inaugurated at the CSIT Department by Mr. Lokesh Mehra, Senior Manager, Global Engagement-Tech Alliance, AWS, Ms. Akanksha Rai Sharma, Technical Program Manager, AWS Academy, and the esteemed dignitaries of KIET Group of Institutions on ----- . This initiative is a significant step toward equipping students with industry-relevant AWS skills and global certifications. The inauguration was followed by a two-week Faculty Development Program (FDP) on Generative AI and AWS was organized by the CSIT and IT Departments in collaboration with the Industry Institute Collaboration Cell (IICC), concluding with a Valedictory Session.

ASCEND 2025, a two-day event at KIET Group of Institutions held from March 20-21, 2025, engaged **2100+ startup enthusiasts**, focusing on Capacity Building, Entrepreneurship, and Innovation. The event featured insightful sessions by **Mr. Ashish Jain** on Market Research and **Mr. Saurav Kumar** on Idea Generation and Business Model Development, empowering participants with practical knowledge.

On March 8, 2025, the **Internal Complaints Committee (ICC)** and **ISTE KIET Chapter** joined hands to celebrate the power, passion, and perseverance of women. **Dr. Neha Yadav** (Oncologist) enriched the audience with her expertise on maintaining a healthy lifestyle through balanced nutrition, exercise, and stress management. She also highlighted common women's health challenges, including hormonal imbalances, osteoporosis, and mental health, while emphasizing the importance of vaccinations in preventing diseases such as HPV, influenza, and COVID-19.

The ECE Department, in collaboration with **Cadence Design Systems** and **Entuple Technologies**, inaugurated the **Centre of Advanced VLSI Design** on March 18, 2025. The facility provides hands-on experience with VLSI tools, access to Cadence's University Research Bundle, and industry-oriented training. The event was graced by **Dr. Sanjeev Kumar** (Cadence), **Mr. S.K. Aggarwal** (Entuple), and presided over by **Dr. Manoj Goel** (Joint Director, KIET), marking a pivotal step in shaping future VLSI professionals.

The KIET Group of Institutions celebrated **Holi** with vibrant enthusiasm, as faculty and staff enjoyed moments of joy, music, and festive cheer. The event highlighted KIET's commitment to community and cultural harmony.

Education Fetes

The KIET Group of Institutions extends heartfelt gratitude to **Mercedes-Benz India** for their remarkable initiative to support women in the automotive sector. As part of this effort, Mercedes-Benz India is offering scholarships to the top three female students of the **Advanced Diploma in Automotive Mechatronics (ADAM)** course at KIET. This initiative promotes gender equality and empowers young women to excel in the automotive industry, paving the way for a more inclusive and diverse future.

Education Fetes

The Department of International Relations & Public Relations successfully concluded the 4-Day event held from March 3 to March 6, 2025. The event provided a platform for over 450 students to explore global education opportunities, scholarships, and international internships. The inaugural session was graced by Her Excellency **Ms. Mukangira Jacqueline**, High Commissioner of Rwanda to India, who highlighted the importance of international education. **Mr. Fehintola Solomon Oyewumi**, Minister (ICES), representing the Acting High Commissioner of Nigeria, inspired students to pursue global academic opportunities. The event culminated with an **International Education Fair** featuring 11 global universities, where 500+ students interacted with representatives to explore higher education prospects. Adding a cultural dimension, foreign language students captivated the audience with vibrant performances and showcased their culinary skills at the **International Food Festival**. We extend our heartfelt gratitude to all esteemed guests and participants for making IEAW 2025 a remarkable success!

The KIET Group of Institutions welcomed **Ms. Lenny Christina**, the official representative from Technical University of Munich (TUM), Singapore, for an exclusive session in collaboration with Beyond Immigration on March 20, 2025. The students of pre-final year and final year of B.Tech and B.Pharm actively participated and gained valuable insights into study opportunities at **TUM Asia**, its globally recognized programs, and promising career prospects. Participants gained clarity on admissions, academic pathways, and industry-focused master's programs jointly awarded with NTU/NUS, Singapore.

The Department of Electrical and Electronics Engineering was honored to welcome **Mr. Prithpal Khajuria**, Director, Energy Sector, Intel Corporation, USA, for an enlightening session on "**Virtualization of Protection, Automation, and Control in Substations**" on March 11, 2025.

Mr. Khajuria provided valuable insights into grid modernization and the latest advancements in substations, highlighting how virtualization is transforming power system protection, automation, and control for a more resilient and intelligent energy infrastructure. His session explored the future of digital substations, emphasizing the impact of edge computing, AI, and cloud-based solutions in revolutionizing the power sector.

Expanding Horizons

Our athletes brought glory to KIET with their stellar performances at **KHEL'25**, held at SRMIST, Modinagar, from February 28 to March 1, 2025. The Futsal Boys Team clinched the **championship title**, while the Basketball Boys, Basketball Girls, and Table Tennis Boys teams secured commendable **second positions**. Their unwavering dedication, hard work, and sportsmanship have made us proud. Let's continue this winning streak and aim for even greater achievements!

Social Outreach

The KIET School of Pharmacy, in association with **Max Super Speciality Hospital**, Noida, successfully organized a **Mega Health Camp** on March 8, 2025, aimed at promoting health awareness and well-being. The camp offered free consultations by specialized doctors and provided comprehensive health check-ups, benefiting over 200 faculty members, staff, and students. The event was graced by esteemed dignitaries of KIET Group of Institutions. The event was a remarkable success in fostering a healthier campus community.

The KIET Group of Institutions, in collaboration with the **Rotary Club** of Ghaziabad North, organized a **Blood Donation Camp** on March 10, 2025, collecting 216 units of blood. The initiative promoted awareness about regular blood donation and inspired participants to make a life-saving impact.

- ➔ On International Women's Day, Team Uddeshhya organized a sanitary pad distribution drive at the evening school for female workers, promoting menstrual health awareness and well-being.
- ➔ Rakesh, a student of our Night School, passed his Class 12 Bihar Board exams with flying colors, securing 52.4% aggregate marks.
- ➔ Through the Blood Portal project, we facilitated the donation of 13 blood units to hospitals across Delhi-NCR, supporting critical medical needs.

We extend our sincere gratitude to our dedicated members and volunteers, whose relentless efforts continue to create a meaningful impact.
